

Answer Sheet
Modal verbs: should, can, need

I. Put *need*, *can* or *should* plus a verb from the box to complete the sentences.

provide execute estimate protect oversee deploy ensure maintain carry out

1. **need to protect**
2. **Should** a project manager **oversee**...?
3. **can maintain**
4. **should ensure**
5. **Can** you **execute**...?
6. **should provide**
7. **can carry out**
8. **need to estimate**
9. **need to deploy**

II. Match sentences with their meanings.

- You shouldn't work overtime so often, because you get very tired. (It's the best thing to do. It's a good idea.)
- I need to speak English at the conference. (You have to do it. It's necessary.)
- I can relocate to another office. (It is possible to do it.)
