I.   Complete the text. Use the verbs below in the Passive or Active voice in the correct tense.

offer   use(x2)   host   call   provide

GitHub is a web-based hosting service for version control. Originally it **was called** Logical Awesome LLC. It **is used** for computer code mostly. It **offers/provides** version control and source code management (SCM) functionality of Git as well as adding its own features. It **provides/offers** access control and other features such as bug tracking, feature requests, task management, and wikis for every project. GitHub has plans for private repositories and free accounts, where open-source software projects **are hosted**. It is reported that GitHub **is used** by almost 20 million people. It is the largest host of source code in the world.

II.   Change the sentences form the Active into the Passive voice.

1. *GitHub was founded by Tom Preston-Werner.*
2. *GitHub was written in Ruby.*
3. *The logo was created by a graphic designer Simon Oxley.*
4. *The site was launched in April 2008.*
5. *Public repositories can be browsed and downloaded by anyone.*
